# MEASURING INSTRUCTIONS

## for Jobst Ready-To-Wear Compression Garments

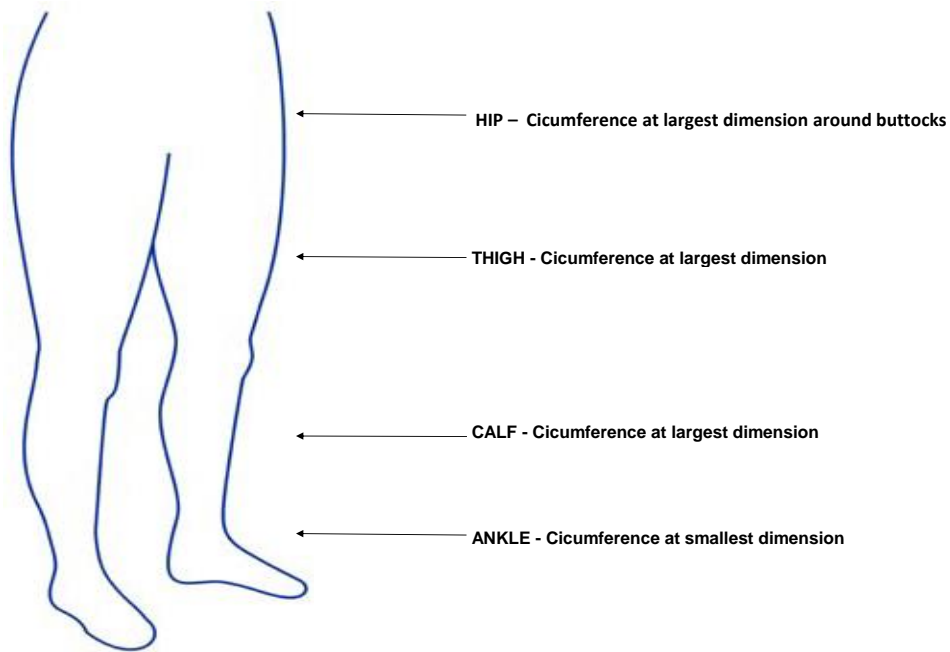

### Where to measure on the leg:

- It is advisable to measure the smallest part of the ankle (where the compression is greatest)
- The largest part of the calf
- The largest part of the thigh
- The hip measurement is to be taken on the widest part of the hip bones
- All measurements should be taken in the morning, as swelling occurs later in the day

For KNEE HIGHS measure the ankle and calf

For THIGH HIGHS measure the ankle, calf and thigh

For WAIST HIGH and CHAPS STYLE measure the ankle, thigh and hip
